

## Community Group Lesson Plan • Abbotsford

### Global Missions Weekend

1. Read Joshua 2. The scarlet rope of hope (tiqwa) hanging from Rahab's window (*Josh 2:15-21*) reminds us that God is working in the lives of people in cities like Jericho. Where have you seen faith and hope stirring in the lives of people where we wouldn't expect it?
2. Read Ruth 1:3-21. What extinguishes hope from our lives? (*Ruth 1:12*)
3. How have you seen God use the "Valley of Achor" (trouble) as a door of hope in our lives, in our nations? (*Hosea 2:15*)
4. Read Joshua 7. Achan's hope in the Babylonian robe, gold and silver is our temptation as well. What is buried under our tent?
5. Read Jeremiah 29:10-14. Jer 29:11 is God's promise for a future and hope. In what ways is that good news in your story?

### Wrap Up and Prayer

From your discussion, what resonated with you individually or as a group? Was there anything not discussed that stuck out to you from the sermon? Pray for each other along with other requests.

### Benediction - I Thess. 3:12-13 ESV

*"And may the Lord make you increase and abound in love for one another and for all, as we do for you, so that he may establish your hearts blameless in holiness before our God and Father, at the coming of our Lord Jesus with all his saints."*
